

## Prämierungen «Oro del Desierto»

### Natives Olivenöl extra (Organic Extra Virgin) aus kontrolliertem biologischem Anbau

Olivenöl «Oro del Desierto», übersetzt «Gold der Wüste», ist ein gefiltertes Bio-Olivenöl von erster Güteklasse und kommt aus Andalusien. Es wird in der kleinen Ölmühle «Los Albardinales» inmitten der wüstenähnlichen Gegend von Tabernas (Almería) aus erstklassigen, von Hand gelesenen Oliven ausschliesslich mit mechanischem Verfahren und aus erster Kaltpressung gewonnen, dann in modernen Edelstahlbehältern gelagert und vor Ort abgefüllt.

Die hohe Qualität, den einzigartigen Geschmack und den geringen Gehalt an freien Fettsäuren von 0,1% (Säuregehalt) verdankt das Olivenöl neben den speziellen klimatischen Bedingungen vor allem der sorgfältigen Gewinnung und der einwandfreien Verarbeitung innerhalb weniger Stunden.

«Oro del Desierto» ist mit dem EU zertifizierten Bio-Label versehen und wurde mehrfach international ausgezeichnet.

*Our Coupage within the top 10 of the BIOL award, the oldest and most prestigious of the awards #aove #ecologico in the world, it is an honor to be among the best, it is worth noting that 500 oils have participated and that we are the only one Spanish in the top 10 !!*
